

Calvados Christian Drouin

🦁 Réserve des Fiefs 🦁

Presentation

The youth of the Pays d'Auge.

Produced in the Pays d'Auge from bitter, bitter-sweet, sweet and sharp cider apples by double distillation in copper stills, Réserve des Fiefs is a blend of several Calvados mostly aged in small used oak casks.

It offers a harmonious balance between the dominant fruit fragrance and the first spicy notes.

Awards

Voted best calvados in the world in its category at the World Drinks Awards 2023
